

CITY CONNECTIONS- Emerald Ash Borer

In June, Buena Vista County was declared to be Emerald Ash Borer (EAB) positive. To date, 50 counties have been considered infested with EAB. Education information can be found on the Iowa State University Extension and Outreach Pesticide Safety Education Program website: www.extension.iastate.edu/psep/

BACK TO SCHOOL

August means that school is back in session! The City would like to remind everyone to be extra cautious as children begin walking to and from bus stops and school buildings. It is **illegal to pass a stopped school bus when their stop sign is out**. For the safety of our children, please stop and wait until everyone is safely on or off the bus!
