

City Hall and the Public Library will be closed May 28th.

CITY CONNECTIONS- Sidewalk Inspection Program

Inspections of sidewalks within the City shall be done at least once every four (4) years with zones one (1) (downtown business district) and four (4) being inspected this year starting May 2018. These inspections include identification of any violation or deficiencies in the sidewalk. Inspectors record these deficiencies by writing an inspection report and highlighting the violations on the sidewalk with paint. For more information, visit www.stormlake.org/sidewalk or contact the Building Official at buildingofficial@stormlake.org or 712-732-8002.

Meet the Mayor

Discuss our Downtown
 Monday, May 14 5:30 - 6:30 PM
 Tuesday, May 15 7:30 - 8:30 AM
 At City Hall (620 Erie Street)

No Parking Across Sidewalks

Please keep sidewalks clear of vehicles so that pedestrians can make use of the path and to avoid a ticket.

Grass Clippings

A professional would never leave grass clippings behind and neither should you! Don't leave grass clippings on the sidewalk or in the street. Grass clippings...

- Wash into our lakes and can harm aquatic life
- Wash into our storm drains and can cause clogging and street flooding
- Upsets homeowners
- Can be hazardous for motorists, cyclists and pedestrians when wet

Protect water quality by learning more and doing more at iowastormwater.org. For more information, contact City Hall at cityhall@stormlake.org or at 732-8000.

Building Permits

Spring and summer months are the most popular times to update your property. A building permit is required to perform work on most buildings or structures within the City. Some examples include decks, fences, siding, and roof repairs. Before you start that new project, contact City Hall at 712-732-8000 or email buildingofficial@stormlake.org to see if you need to get a building permit.
