## CITY CONNECTIONS.....

## FALL CLEAN UP

September 30, 2019 through October 6, 2019

Soon to come more information on our city website.  
<http://www.stormlake.org/367/Citywide-Clean-Up>

Take your car to a car wash or park it on the grass to wash it so that the cleaners don't run off into storm drains.

Pick up after your pet. Don't let pet waste wash into storm drains.

Compost yard waste: leaves and grass. Don't dump them in ditches, waterways, or into the street when mowing.

Pollutants that enter our storm drains and waterways threaten the cleanliness of the lake, streams, and rivers.

Storm Lake provides habitats for fish, birds, frogs, and other animals, and if stormwater isn't clean, it endangers all these creatures.

Help out by doing your part to keep all stormwater clean.

### Ban on Open Burning

No open burning of trash, garbage, refuse or other materials within the City of Storm Lake unless burned within a closed incinerator capable of trapping burned particles and equipped with a chimney or similar device subject, however, to the special exception contained in 7-2-2 of the City Code.
