Overview

The City of Storm Lake and Blacktop Service Company continue to work on street and utility improvements along Expansion Boulevard. As construction progresses, the contractor will soon begin turning their focus to asphalt paving.

Construction Updates

- Subdrain installation complete
- Partial and full depth PCC patches complete
- Asphalt paving to occur the week of November 9, 2020
- Following asphalt paving, all driveways abutting Expansion Boulevard will be replaced

Project Impacts During Asphalt Paving

- Expect temporary driveway closures and intermittent driveway access
- Detour plan will remain in place for through traffic
- Weather permitting, asphalt overlays will be complete after approximately 2 days

Communications

- Once the exact asphalt paving schedule is confirmed, more detailed information will be relayed to businesses by the Construction Project Representative prior to work beginning
- Construction Project Representative will coordinate driveway access needs with each business during asphalt paving.

Informational newsletters, such as this one, will be mailed to you periodically throughout the project. If you have questions or concerns at any time, please contact Jon De Graaf at the phone number or email address listed.
